re Public Records Act Request

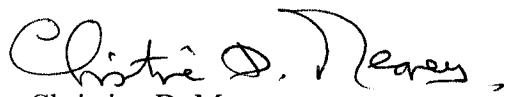

Dear Mr. Fawcett:

This letter is in response to your California Public Records Act request of January 6, 2006 to review and make copies of the "Kaiser agreement."

We have completed a review of the Kaiser agreement and have determined that it is not subject to public disclosure. Specifically, much of the Kaiser agreement consists of trade secrets that do not need to be disclosed. In addition, the public interest in withholding the Kaiser agreement clearly outweighs the public interest in disclosure.

Thank you for your interest in Palomar Pomerado Health.

Sincerely,

Christine D. Meaney
Assistant to Board of Directors
