- (2) Request for Extension to Seismic Safety Deadlines submitted to OSHPD for Palomar Medical Center;
- (3) Seismic Evaluation of the McLeod Tower at Palomar Medical Center;
- (4) Reports, Documents, Spreadsheets, Calculations, Analysis, and/or Information used to determine a Structural Performance Category (SPC) for the McLeod Tower at Palomar Medical Center;

Due to the extent of the request, and the determination of what portions of those documents, if any, can be publicly disclosed, pursuant to California Government Code Section 6253(c), we are hereby giving you notice that Palomar Pomerado Health is extending, through October 21, 2005, the period in which to collect the documents and determine what portions, if any, of such documents are publicly disclosable.

Once determined, if you desire a copy of any, or part of the documents that may be disclosable, pursuant to California Government Code Section 6253(b), PPH shall make such copies for you in accordance with the law and PPH's policy at 10 cents (\$0.10) per page plus \$16.00 per hour of clerical time, pro-rated if appropriate, which covers the direct cost of duplication.
